Minister for Transport,
Secretariat,
Trivandrum

Dear Sir,

Sub: - Sky Bridge connecting KSRTC Bus Terminal Thampanoor to the Trivandrum Central Railway Station-reg

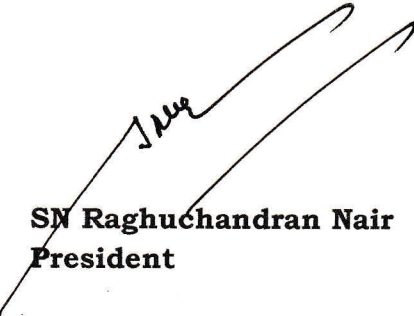

Trivandrum has the unique mobility facility of having the Bus Stand and Railway Station side by side. The congestion at Thampanoor is a threat to the lives of the commuters especially with the heavy footfalls and traffic.

This situation can be eased with a Sky Bridge connecting both the Terminals. It will be a win win opportunity for both the KSRTC and Railways for giving the commuters a hassle-free connectivity.

We request your goodself to kindly consider this proposal and make it a reality.

Yours sincerely,
For TCCI
