President's Message

Dear Members,

TCCI has been providing comprehensive support to its Members including intervention in various business, industrial and development issues that have reinvigorated the business and industrial sectors of the Capital City and Region.

Our contribution for the development of Thiruvananthapuram International Airport has enhanced Domestic and International connectivity resulting in an increase in flights, which has gone up from 40 to 104 with 15,000 passengers traveling a day as against 5000 privatisation. We are also coordinating with the Government to acquire additional land to satisfy the Statutory requirements of the Runway End Safety Area (RESA).

A historic moment was witnessed with the flagging in of the first ship to Vizhinjam Port, carrying the first of the 32 cranes. All 31 other cranes have been erected, with the breakwater and berth completed. The trial ship is expected by the end of June. The second and third Phase of the Vizhinjam is expected to take off soon. TCCI played a proactive role in overcoming protests and other

obstacles to ensure the project's success, which is nearing Commissioning.

On railway development and metro initiatives, our efforts have led to the development of Thiruvananthapuram Central Railway Station, Trivandrum North-Kochuveli, and Trivandrum South-Nemom Terminal. We have intervened and raised our concerns about the proposal by KMRL to downgrade our Metro Project to a Light Tram Metro, especially when all studies have been completed for a Metro. We have also taken up the issue with the Railway about the possibility to take two AC bogies to the Jan Shatabdi Express to be run on a pro-rata basis after refurbishment.

Persistently we are following up for the several Highway Road Projects connecting the Capital District, ensuring improved infrastructure and connectivity.

Suggestions that need to be included in their respective Election Manifesto for the development of Trivandrum were given to all the Political Parties and also engaged them in the Meet the Candidate Program.

Today, TCCI is looked on by the Public to advocate and guide the development activities related to the Capital City, District and Region. Our sincere efforts are further affirmed by the Media giving importance to our role and the Government seeking our involvement and support in all the related area.

The recognition to our work was acknowledged recently by the Trivandrum Management Association (TMA) with the 'Trivandrum Development Award' which was received from the Hon'ble Governor, Shri Arif Mohammed Khan. This Award is dedicated to all the Citizens of Trivandrum who stood and supported TCCI, TATF and Awake Trivandrum for all our development

initiatives.

A Chamber of Commerce is an important fabric for any City and we have been able to live up to the expectations at the National and International levels, as evidenced by our interactions with the US Consul General, the Yukon Delegates of Canada, Members of the Soft Power Club from Italy under the leadership of India's G20 Sherpa and former NITI Aayog CEO Shri Amitabh Kant IAS(Retd), Hon'ble Member of NITI Aayog Dr. Arvind Virmani, and the Dubai Chamber of Commerce. The invitations to enter into MOUs with various International Chambers of Commerce are being processed and will be executed soon. We propose to visit UAE and other countries for this and also to attract Investments to Trivandrum and invite them to be our Members.

Despite an increased in Membership Fee to ensure the quality of the Members, we have successfully

added 19 new Members during this term, reflecting the growing trust and confidence in TCCI's leadership and vision.

From our activities over the past years, we are confident to say that TCCI has played a pivotal role in steering the growth and development of the Capital City and Region. Our unwavering commitment to our Members and Public to enhance connectivity, Infrastructure development have started paving the way to make Trivandrum as an Investment destination.

Together, we will build a sustainable Capital City and Region and strive for even greater accomplishments in the years to come.

Sincerely yours,

S N Raghuchandran Nair
President, TCCI

INDEPENDENT AUDITOR'S REPORT

To the Members of **THE TRIVANDRUM CHAMBER OF COMMERCE AND INDUSTRY**

Report on the audit of the Standalone financial statement

Opinion

We have audited the standalone financial statements of THE TRIVANDRUM CHAMBER OF COMMERCE AND INDUSTRY, which comprises the balance sheet as at 31st March 2024, the Statement of Profit and Loss for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its statement of profit and loss, for the year ended on that date.

Basis for Opinion

We conducted audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. Ourselves independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

40

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Emphasis of Matters

We draw attention to the following matters in the Notes to the standalone financial statements. Our Opinion is not qualified in respect of these matters:

1. We refer in Note No.1- Notes forming part of financial statements, The Trivandrum Chamber of Commerce and Industry is a Non-Trading Company incorporated in 1951, under the Non Trading Companies Act 1961, the audit and annual returns are only to be complied as per the Companies, Act 2013 with the Registrar, Non- Trading Company, Kerala and not with the Registrar of Companies as per the Companies, Act, 2013.
2. We refer in Note No.2- Tangible and Intangible Fixed assets and Depreciation, Chamber is continuously following Depreciation as per the rates as prescribed in Income Tax Act 1961 and no revaluation done during the year. As per the Schedule II of Companies Act 2013, useful lives to compute depreciation have been brought into effect from 1st April 2014.

Information Other than the Financial Statements and Auditor's Report Thereon:

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is

materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. Also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances determined that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
